Red Mile Minerals Grants Stock Options

TORONTO, ONTARIO, October 6, 2011 – The Company announces that, subject to regulatory approval, it has granted under its Incentive Stock Option Plan a total of 900,000 incentive stock options to certain employees, officers, directors and/or consultants at a price of \$0.10 per share, exercisable for a period of five years.

About Red Mile Minerals

Red Mile Minerals is a tightly held mineral exploration company with two significant gold exploration properties: the Blue Quartz joint venture along the prolific Destor-Porcupine gold-producing region in Ontario and the Dorset Property in Baie Verte, Newfoundland. Red Mile continues to seek additional mineral exploration opportunities where the company's exploration expertise and corporate share structure could substantially enhance shareholder value.

On behalf of the Board of Red Mile Minerals Corporation
